

Third Party Warehouse Services

PortWatch personnel working at the Distribution Center will receive your product, stage it and prepare the appropriate documents for accurate shipping. We will assure you that your product whether import or export will be handled with the utmost of efficiency.

PortWatch can provide put away and picking labor for your warehouse on a performance paid basis. Our performance paid basis includes programs such as cents per case, flat rate per container/trailer in or out or a daily or weekly flat rate. These programs ensure that you only pay for what you receive or ship!

Services Include:

- [Warehousing/Distribution](#)
- [Loading/Unloading containers](#)
- [Cross-Docking](#)
- [Materials Handling](#)
- [Inventory Management](#)
- [Returnables Management](#)

Local Drayage & LTL Transportation

At PortWatch, we focus on logistics management and transportation solutions for a wide variety of shippers and carriers. Our customers need a third party provider in which they can place their trust - a company built on quality and reliability. We've responded to that need.

Whether it is a customer needing a load moved across country or pulled from the port, we are confident we can provide you with the most effective and efficient way to move your product.

People are our strongest information resource, and we've combined our carriers expertise, logistics transportation resources and professionalism together for the benefit of our customers.

We are available to:

- Repackage and re-label products.
- Complete light rework of the product.
- Prepare product displays for in-store promotions.
- Shipment of the product throughout the domestic United States.
